Pessano con Bornago – August 12th, 2026

Subject: PPWR Regulation N° 2025/40 – Packaging and Packaging Waste Regulation

We, CASTEL, declare under our responsibility that, referring to our current knowledge, the packaging used to deliver our products is fully compliant with the 2025/40 Regulation of the European Union (PPWR) and in particular:

1) it does not contain any chemical set out in Annex XVII of the Regulation 1907/2006 (REACH);
2) the sum of the concentrations of lead, cadmium, mercury and hexavalent chromium resulting from substances present in packaging or packaging components does not exceed 100 mg/kg;
3) is fully recyclable;
4) we are working with our suppliers to maximize the recycled content of any plastic part of packaging;
5) it is designed so that its weight and volume is reduced to the minimum necessary to ensure its functionality.

We will keep this declaration up to date with future targets and deadlines.
